Mountain biking and off road vehicle trail information:

Lava Mountain Trail—No. 244

Length:

8 miles

Difficulty:

Intermediate

Time:

3.5 - 4.5 hours

Trailhead Elevation:

6360 feet

Elevation Range:

6360 feet to 7160 feet

Elevation Change:

800 feet

Vehicle Restrictions:

50 inches width or less. MT trail sticker required.

The trail head is located about two miles prior to the entrance of Park Lake on the west side of the road. A parking and staging area is provided with room for trailers and off loading vehicles

Bring water and plenty of fuel as appropriate. Honor all signs and boundaries for private land. Bear activity along this trail is common. Pepper spray or other repellants are highly recommended. If using this trail we recommend you let our staff know your plans before departing and the approximate time of your planned return for safety.
